"A Church Where You Can Make A Difference"

October 1, 2024

From the Pastor's Desk

I Cannot Keep Worrying About It

God has been too good to me to worry about my finances, my family, my health, my job, or my career. Life is filled with unexpected situations and circumstances. I have decided to "Be Anxious for Nothing but pray about everything." It is in **the area of fear and anxiety** that the enemy attacks us. Jesus declared "Take no thought in tomorrow, for tomorrow will take care of itself." It is already cast in the oven. We must take life one day at time. If the doctor orders an x ray, MRI, CT scan, or blood work, let the doctor order whatever he believes that need to be ordered. Remember, God is a doctor in a sick room or hospital room. Remember God is a lawyer in a courtroom. The Lord is our refuge and is a very present help. I cannot worry about it. You cannot worry about it. We cannot worry about it. Sometimes to avoid worrying about it, we should stop talking about it. Instead, we should just pray about it. This has been your 1 minute of inspiration.

*Rev. Dr Anton Rowe
Senior Pastor*

In October, churches across the nation are celebrating Pastor Appreciation Month. Many celebrate Pastor Appreciation Day, or Clergy Appreciation Day, on the second Sunday or another Sunday of the month.

The Apostle Paul is thought to have first suggested clergy appreciation in 1 Timothy 5:17, when he stated, "The elders who direct the affairs of the church well are worthy of double honor, especially those whose work is preaching and teaching." That teaching helped inspire the start of Clergy Appreciation Month
