"A Church Where You Can Make A Difference"

January 1, 2025

From the Pastor's Desk

A New Years Resolution?

The tradition of a New Year's Resolution is a great way to evaluate one self spiritually and set goals to change or improve one's walk with God. If you participate in formulating a New Year's Resolution, you should make it biblical. There are scriptural basis for self examination and setting goals to improve one's relationship with God. The world will lead you to set New Years Resolution on Carnal items, like a new house, a new car, a new job, or loose weight for 2025.

God's Word declares through Christ, "Seek ye First the Kingdom of God and his Righteousness and all these other things will be added to you." Our New Year's Resolutions should be spiritual things first. We should seek spiritual goals and accomplishments for 2025. All of the carnal desires will be added to us.

This has been your one minute of inspiration.
